
WERE YOU CONFUSED?--We mean about the page numbers in last week's issue.

Rather we mean the lack of page numbers.

It was rather complicated, especially for those who wanted to read the stories that were continued from the front page. Two were continued on page 13, one to page 7 and one to page 2, according to the printed directions.

But because of press problems, the original lineup of pages had to be changed just as the paper was ready to be printed. The 14-page paper had to be printed in two sections rather than just one as had been planned originally.

It wasn't possible to re-number the pages, so it was decided to remove the original page numbers.

The reader was left to his own devices, if he wanted to complete the continued stories. He was on his own, so to speak, and had to do it the hard way.

Apparently most of our readers were good hunters.

Actually it wouldn't have done any good even to count the pages. Under the new setup, page 13 became page 4 of the first section and page 7 ended up as page 5 of the second section. Confusing, isn't it.

The pages and the stuff on them were all there.

But the directional signs were poor.

Sorry.

FOUL BALLS into the stands at baseball games always cause a mad scramble on the part of the fans. We have attended many ball games but have yet to come up with a ball. Once a guy right next to us grabbed one. But that's as close as we have ever come. And a miss is as good as a mile or closeness only counts in horse-shoes, to coin two "original" phrases.

On a recent Sunday, a group of Press carriers attended the San Jose Bees game as a bonus for their efforts in the current circulation promotion campaign of the Press. The contest is being staged this summer under the direction of that old pro, KURT RITTER, now a senior at Claremont Men's College.

Naturally, members of Kurt's gang were eager and prepared to snatch onto any stray ball that floated their way.

And one did.

There was the usual mad melee with the ball bouncing wildly on the seats as the kids tried to corral it.

So who comes up with it?

Kurt, of course. (And he claims he wasn't even trying to beat out his kids and didn't push anyone.)

In all fairness to Kurt, we must report that he has placed the ball in the trophy case. It will be awarded to

Group wants restudy

College public hearing takes place on Thursday

Die-hard opponents of the establishment of the West Valley Junior College will attempt at a public hearing Thursday at 8 p.m. at Campbell High School to force another study as to the need of a junior college.

The public hearing, conducted by the County Committee on School District Organization, followed the submission of a petition signed by 500 residents (mostly from the Saratoga area). They asked that a study be made (1) "to determine the necessity of that junior college district's continued existence; (2) to establish a positive plan for consolidating the West Valley Junior College District with the adjoining districts of San Jose Junior College and Foothill Junior College."

Civic bodies in Santa Clara, Campbell and Los Gatos (the three communities that make up the junior college district) have gone on record as opposed to such a restudy. The main reason cited by them against the restudy is that it would be a costly and needless duplication of the exhaustive studies made by the same committee in 1961 and 1962 which resulted in the recommendation that the junior college district be formed.

The committee to which the petition was presented is composed of 11 members, many of whom were also members when the original study was made. Wes Wihtal is chairman and Donald Lantz is vice-chairman.

Other committee members include Charles Richardson, Edwin Gould, Dale Scott, Edward Ferrera, Henry Strickroth, Dr. Norman Doloff, William Murphy, Fred Peterson and Myron Stern.

The hearing will be open to the public and it is expected that the group favoring the restudy will be well represented.

Dr. Wallace Hall, junior college president, is expected to be called upon at the hearing to explain how such an action by a dissident group at this time in the district could adversely affect the morale of both faculty and students essential to providing high quality educational programs.

Pioneer resident dies at 87

Funeral services were conducted this morning for a pioneer resident of this community, Edward Cornes Merrill, 87, who died on Monday in a San Jose Hospital.

Mr. Merrill, who had been a resident of this area since 1894, was elected city treasurer when this city was incorporated in 1952. He served in that office until 1958.

Born in Minnesota on December 2, 1876, he came to California as a youth of 18 and worked for a brief period in the San Francisco post office before coming to Campbell in 1894.

Mr. Merrill was engaged in fruit raising for a time and then operated a hay-wood and coal business first known as the E.C.

Corporation yard??

City to improve park on creek

Authorization for the landscape architect, George Martin, to prepare plans and specifications for phase II of Campbell Park was given by the city council Monday in a special meeting. The city has earmarked $20,000 for the improvement.

The council also directed City Manager Bob Stephens to study the plans that have been submitted for the corporation yard. He was asked to come up with a recommendation as to whether a building can be constructed within the city's budget on the property that the city has agreed to purchase for approximately $32,000.

Although the councilmen agreed that the improvements should be made in the park, they indicated that they might not follow all the suggestions of the architect when it came time to award the bids for the project.

The Park Advisory Committee had submitted a preliminary cost estimate of $15,868 for the paving ($5,274); fencing ($2,258); electroliers ($2,520); redwood walls ($1,032); lawn ($719); firbark area ($1,000); grading ($1,260) and sprinklers ($1,805). An additional $2,692 was estimated for a planting program, if the money was available.

Councilmen discussed the possibility of separating the bids or doing some of the work with city super-

In Miami Beach, Florida

Council goes to 'congress'

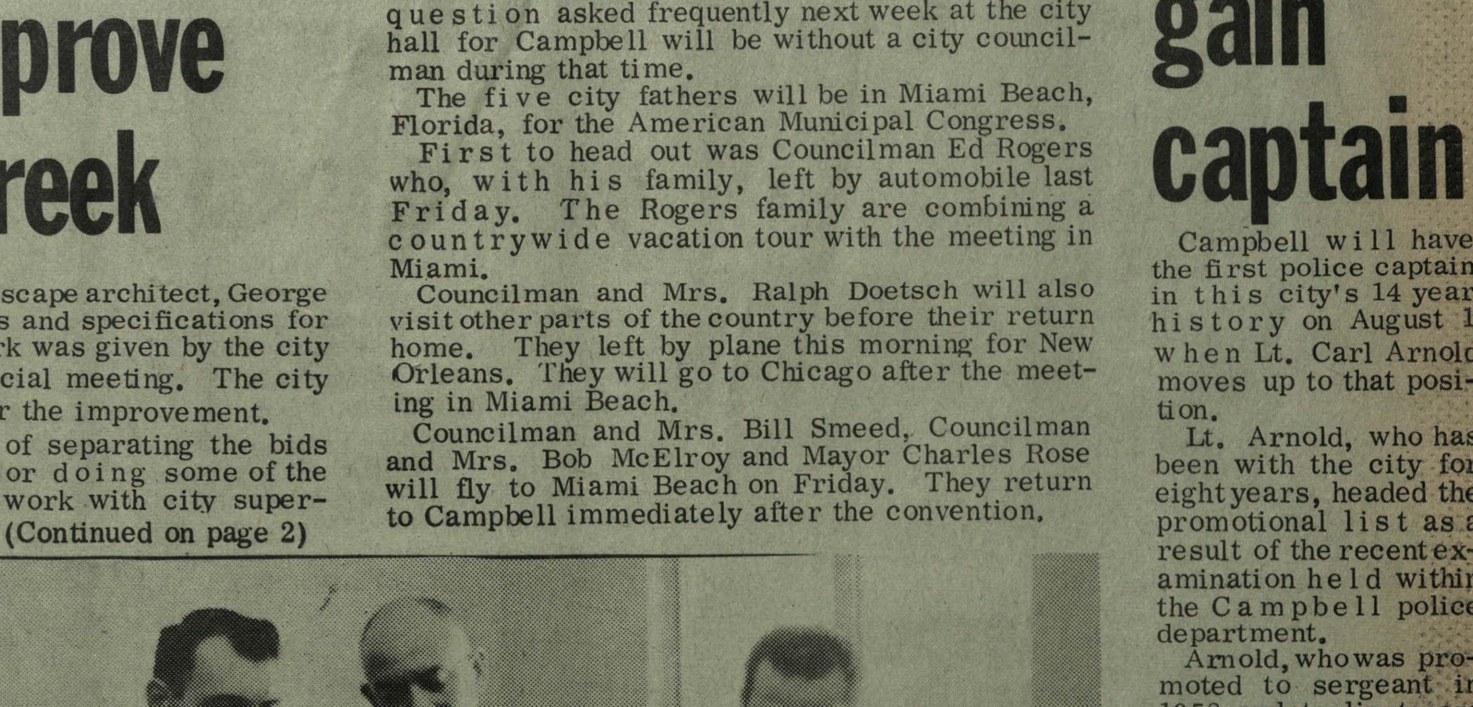
Who's "keeping the store" will probably be the question asked frequently next week at the city hall for Campbell will be without a city councilman during that time.

The five city fathers will be in Miami Beach, Florida, for the American Municipal Congress.

First to head out was Councilman Ed Rogers who, with his family, left by automobile last Friday. The Rogers family are combining a countrywide vacation tour with the meeting in Miami.

Councilman and Mrs. Ralph Doetsch will also visit other parts of the country before their return home. They left by plane this morning for New Orleans. They will go to Chicago after the meeting in Miami Beach.

Councilman and Mrs. Bill Smeed, Councilman and Mrs. Bob McElroy and Mayor Charles Rose will fly to Miami Beach on Friday. They return to Campbell immediately after the convention.



POLICE OFFICERS MOVE UP -- Officer Frank Furtaw, who will become sergeant; Lt. Carl Arnold (to be captain); and Sgt. Don Burr (to be lieutenant), left to right, watch Police Chief John Morgan sign the promotion papers of the three officers who headed the recent department examinations. The promotions become effective on August 1.

Police gain captain

Campbell will have the first police captain in this city's 14 year history on August 1 when Lt. Carl Arnold moves up to that position.

Lt. Arnold, who has been with the city for eight years, headed the promotional list as a result of the recent examination held within the Campbell police department.

Arnold, who was promoted to sergeant in 1958 and to lieutenant in 1960, will be succeeded as lieutenant by Sgt. Don Burr. The new lieutenant joined the department in 1956 and was promoted to sergeant in 1960.

When Arnold officially becomes captain, he will head the patrol and record sections and be responsible for the overall operation of the department under the direction of Chief John Morgan.

Burr, as lieutenant, will head the special services division which includes the juvenile, detective and traffic divisions. Burr formerly headed the juvenile section.

Officer Frank Furtaw headed the list of candidates for the sergeants opening created by Burr's promotion. Furtaw was appointed to the department in 1960.

Editorial

Future road-blocks

We are well aware that the work on the San Tomas Expressway is well under way. Sooner than we all realize construction of that thoroughfare will be right in our own backyard.

We also recognize that rights of way, preliminary engineering work, final plans, etc. have been completed.

Only minor changes can now be made in the route or other phases of the project.

We also know that the City of Campbell, and other cities in the county, have approved the route.

But in examining the overall picture, we have become a little concerned over some aspects of the situation.

When the San Tomas Expressway is completed through Campbell, those of us who live or work in this community will have to make some adjustments in our daily routine.

Freeways and expressways do that to any community.

The question that concerns us right now is whether the long-range planning that was necessary in the development of the San Tomas Expressway took into consideration some obvious traffic problems that will develop because of recent growth.

Latimer and Rincon, after the expressway is completed, will not go through. Those streets will be split by the expressway.

We recognize that a great deal of thoughtful planning has gone into the traffic control of the project. We concede that it is necessary to eliminate as much cross-vehicular movement as possible. Otherwise the value of the expressway system is lessened.

On the other hand, we raise the question that the blocking off of three streets we mentioned could possibly compound the traffic problem in this community for more than was anticipated.

We realize that having Campbell and Hamilton avenues as through streets will allow an efficient traffic flow in the areas served by those two thoroughfares.

But we raise the question of whether it is altogether wise to cut off both Rincon and Latimer.

We know we are late in raising this question.

On the other hand, the construction has not yet started through our area.

In our opinion, if it is thought that there is any merit to opening either Rincon or Latimer, and that the opening of the streets would assist in improving the local traffic problems, we suggest that it would be less expensive to do it before the road is completed.

Traffic engineers do not have a crystal ball as part of their standard equipment. They project based on what the situation is at the time, plus what they expect or hope will be the case in the foreseeable future.

We can list a number of highway developments which at the time they were built were considered to be adequate for years to come. Within a few years they had become antiquated.

We recall, for example, the poor planning that went into the original Camden off-ramp on Highway 17. The off-ramp was inadequate even before the highway was opened.

We know how difficult it is to amend projects of the magnitude of the San Tomas Expressway after they have progressed this far.

We have long been exposed to the cumbersome gyrations that are involved in governmental activities.

We are not experts in the field of highway developments. We do not know whether it would serve any useful purpose to open another street.

What we are saying is that we would like to see the experts take another long, hard look at the situation. Then weigh the advantages against the disadvantages.

We agree that it will be complicated and expensive to change any of the plans at this stage of the game.

But if the change is considered necessary, we feel that it will pay off in the future.

We all should be interested in the future, as well as the immediate present.

SUMMER CAMPS for youngsters mean a great deal to both the kids and their parents.

Naturally the parents worry. The house seems so strangely quiet. They wonder if the youngsters are getting along ok. And the kids also are lonesome. Unfortunately there are some cases when neither the offspring nor the parents adjust to the situation.

This then often creates problems.

But this certainly was not the case for Lee and Ray Jacobus, sons of our Anita Jacobus, office manager of The Press.

They were well adjusted to camp life and reassured their parents of just that in the letters home.

Here is 12-year old Ray's first report:

"Dear Mom, Dad and pets. I would like to know how you are. I am fine. The food is good real good. don't worree. I'm worm enegh".

Lee, the 14-year old, had a little more extensive report:

"Dear Mom & Dad I'm still here... Haven't got lost, drown, sick or poisoned yet. And the food is good!

"Guess what?!? K. P. duty called on me again. From 5:00 that night to 8:30. I was washing dishes, stacking and re-stacking dishes, cups, spoons, forks, knives, working the electric dish-washer, stacking, stacking and getting wet.

"Got our physical today and at one:thirty we'll go swimming.

"Our patrol made a record in fire-building. The old record was 28 minutes, the new record, ours, is 18 minutes. I plan to go out for first aid, pioneering and soil and water conservation merit badges. We'll see about them today.

"How are all of you? Is Kookie happy? Are the cats being fed? Is Jenny receiving her proper rations of water and plenty of feed? Are the lizards being fed their water? Oh, and Mom how are all the SNAKES? Now watch your diet! And get proper foods and get good rest. Are you warm at night. There now I can get back at you.

"URGENT: Something just came up. You know that bag of wood rope silverware and towel of Ray's and mine? I need my merit badges and rope--all of it. Thanks a lot. Love you both, Lee.

vision. However, it was decided to wait until the architect submitted the plans and specifications before making any decision on that score.

At the same meeting the council took under study the recommendation of the park and advisory committee that this group be converted into a Parks and Recreation Commission. A rough draft of a proposed ordinance was submitted for council perusal.

At the same meeting the council authorized the city manager to purchase a new NCR accounting machine at a cost of $9336. It was stipulated, however, the present NCR machine owned by the city would be sold for not less than $4,400, leaving a net of $4906 for the new machine.

City Engineer Myron Hawk also reported that a new crosswalk had been painted at Christopher and Bucknall after a study requested by the council had been made.

The council also approved the release of this city's protest before the Local Agency Formation Commission of a San Jose annexation that would take in a new school in the Cambrian district. The school district had asked to be allowed to join San Jose instead of Campbell because all the district's schools are now in San Jose.

HOW TO START A REFRIGERANT BUSINESS: FIND A NEED. FILL IT.

In the highly competitive refrigerant gas replacement market (which already was being served by four well-established suppliers), we found a long-overlooked need: the need to lighten the load of the industry's thousands of refrigeration servicemen.

These are the men who had to lug heavy steel cylinders with them wherever they went to charge fluorocarbon refrigerants into air-conditioning or refrigeration systems. Often, they had to climb up onto rooftops, or down into crowded basements.

Then, in April of 1963, our newly-formed KAISER CHEMICALS Division filled this need for easier handling by introducing its refrigerants in cylinders made of tough, lightweight aluminum. These cylinders, of various capacities, are 33 to 46 per cent lighter than their opposite numbers in steel. And they won immediate acceptance among wholesalers and contractors, because they simplify handling and moving, and lighten the load for every customer!

Find a need. Fill it.

KAISER CHEMICALS Division pursues this policy to improve products and services for all of the chemicals markets it serves...with propellants for aerosols, aluminas for ceramics and desiccants, and—soon—isocyanates for urethane foams.

And by following this policy to serve all our customers, Kaiser Aluminum & Chemical Corporation is contributing more useful innovations—and giving more customers better service—every day.

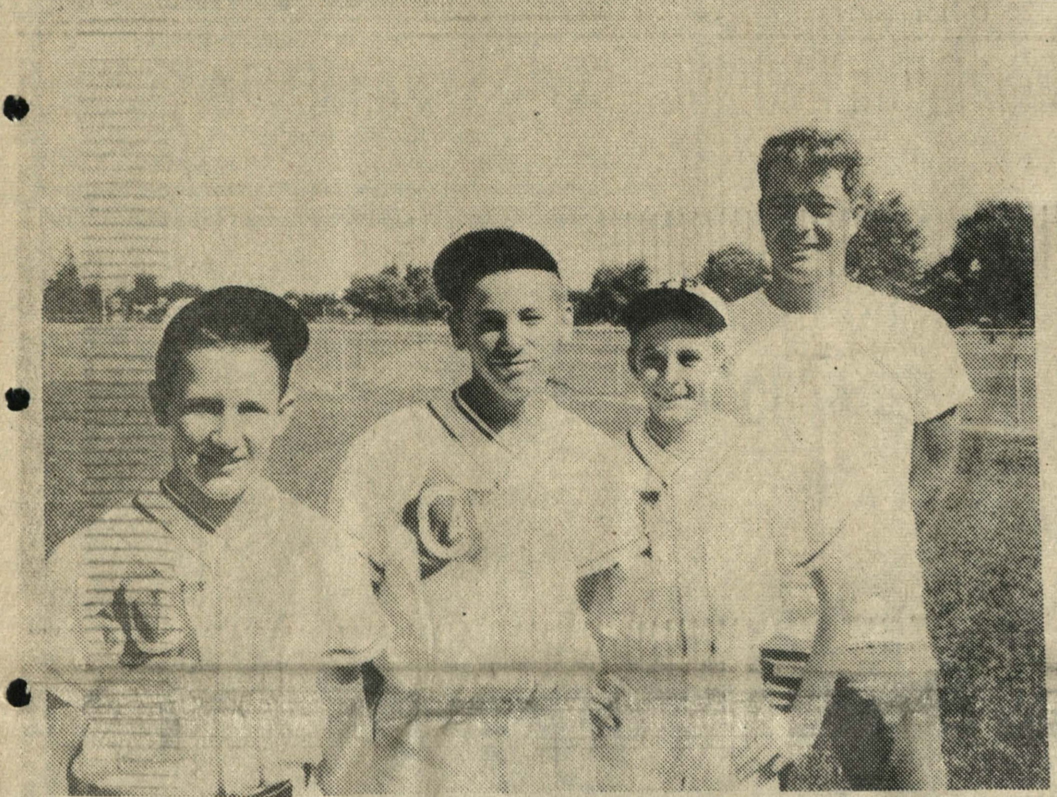
Little League playoffs begin here this evening

Campbell all-stars prepare for Little League tournament

CAMPBELL ALL-STARS--(left to right) Ronny Wood (Italian-American); Rich Sanchez (Towne Pride) Jimmy Russell (Italian-American); Mark Beard (Campbell Lumber).

ALL-STARS--(left to right) Wayne Peyton (Robins); Mark Ramos (Breuner's); Rich Kaneko (Campbell Stamps); Jeff Lauro (Campbell Lumber).



LOCAL ALL-STARS--(left to right) David McLain (Towne Pride); Steve Maas, (Campbell Stamps); Don Strobell (Towne Pride); Jack Zogg, (Robins), manager.

LITTLE LEAGUE STARS--(left to right) Ron Cook (Breuner's); Bob Rasmussen (Campbell Stamps); Rich Lujan (Campbell Lumber); John Emery (Lath and Plasterers), coach.

All-star playoffs for District 44 of the Little League, comprising 22 different leagues in the area, begins this evening (Wednesday, July 22) at the Rosemary School field in Campbell.

Campbell all-stars meet the Sunnyvale Metro at 6 p. m.

On Thursday, July 23, Quito meets another Sunnyvale team. There will be no game on Friday.

The finals of District 44, which will also be held at the Rosemary field, will take place Thursday, Friday, and Saturday (July 29-30-31).

Other playoffs have been scheduled in three other fields in the district, in addition to Campbell, according to Bill McLain, president of the Campbell Little League and director of the local playoff tournament.

The 22 leagues in the district are located in Cupertino, Saratoga, Moreland, Los Gatos, Sunnyvale, Santa Clara, Quito and Campbell.

Campbell's all-star team will be managed by Jack Zogg of the Robins. The coach is John Emery of Lath and Plasterers.

The all star-roster included: Bob Rasmussen, Steve Mass, Richard Kaneko (Campbell Stamps); Wayne Peyton (Robins); Ron Cook; Mark Ramos (Breuner's); Jimmy Russell; Ronnie Wood (Italian-American); Richard Lujan, Mack Beard, Jeff Lauro (Campbell Lumber); Jimmy Sanchez, Dan Strobel, David McLain (Towne Pride).

Campbell Stamps win Little League title

Campbell Stamps was finally crowned champion of the major division of the Campbell Little League. But it was quite a struggle.

The Stamps won the first half and deadlocked with the Italian-American Club and Robins for the second half bunting. The Robins won the second half championship playoff.

But in the final playoff between the first and second half winners, the Campbell Stamp proved too powerful for the little Robins. It took three games to determine the winner.

At the close of the season, Little League officials extended a vote of thanks to the sponsors of the major division that had made the season so successful. Teams in the league included Campbell Stamps, Italian-American Club, Robins, Breuner's, Towne Pride Market, Lath and Plasterers Institute, Knights of Pythias, and Campbell Lumber.

Playoffs for the minor league will be held next week.

Campbell Beauty College was the winner of the Pee Wee play. A special event staged at the end of the season was the Pee Wee all-stars against a pickup team. The final score was 8-7. But it wasn't clear which team had won.

On August 2, the annual Little League picnic will be held at Uvas Meadows. Parents and youngsters are urged to attend. Each family must bring their own food and utensiles.

Hornet grid players start signing

Registration for candidates for the 1964 Hornet football teams, members of the Northern California Pop Warner Conference, a junior bantam weight division, will begin Monday, July 27.

Registration will continue through Saturday, August 1.

Players for the team are eligible if they live in Santa Clara County and have not attained their 15th birthday before August 1.

The Hornets will play a 12-game schedule.

Registration for this area can be made at Castro Junior High, July 27; Blackford High, July 28; Cupertino High, July 29; Camden High, July 30; West Valley JC, July 31 and Ida Price School, August 1.

Registrations begin at 6 p. m. except on Saturday when it will be 9:30 a. m.

Camden Swim Club leads Blackford

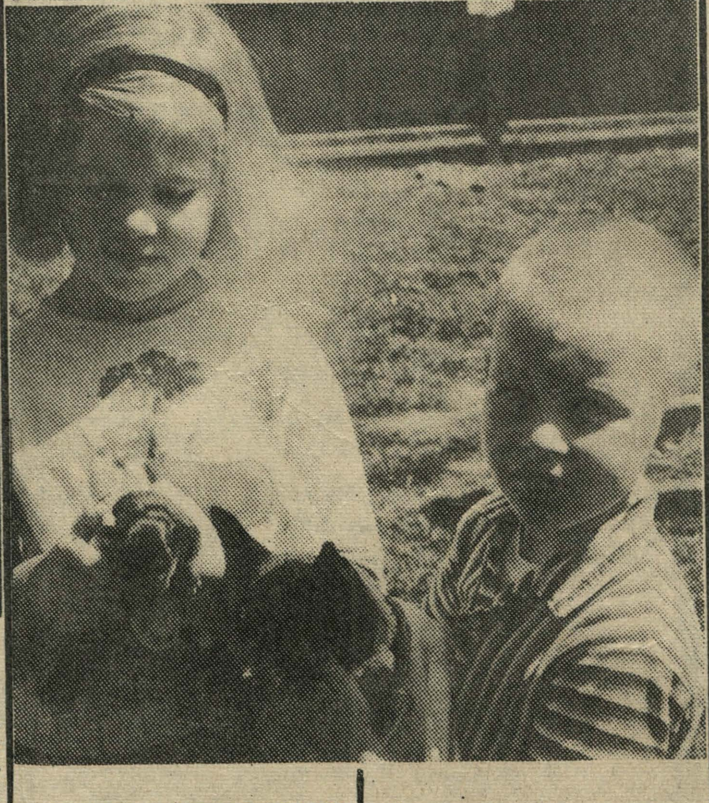
Camden Swim Club, in a dual meet hosted by Blackford, defeated their hosts at Blackford's swim pool and in the process broke a few pool records besides.

Camden, taking an early lead and maintaining it all the way, emerged victorious and stacked up 205 points against Blackford's 177.

Outstanding swimmers for the event were Camden's Teeney McDonald, swimming in the 7 & 8 group, who came through with first place ribbons (3 individual and 1 relay); Robin Rodebaugh, 9 & 10, 4 first; Patricia Galloway, 11 & 12, 4 firsts; Bobby Garcia, 3 firsts (individual); and Randy Smith, 9 & 10, 3 firsts (2 individual, 1 relay).

The two most exciting races came during the Butterfly when Bill Lucett, 15-17, defeated Brian Worrell. Preceding that was Bea McDonald's win over defaulting Courtney Wall in the 13-14 age group.

Blackford and Camden both belong to the Valley Swim Association.



STARS OF THE SHOW--The littlest dog in the pet parade held at Rosemary School on Friday was the one-week old puppy held by Sharon Propst, 163 Carlyn, in the above photo. The puppy, Gidget, weighs only four ounces. Stephen Propst, Sharon's brother, is holding Cindy, the mother of Gidget.

MRS STEVEN E. O'BRIEN

Local couple to make first home in Phoenix, Arizona

Miss Gretchen Louise Arends became Mrs. Steven E. O'Brien recently at nuptials held in the chapel of the First Methodist Church. Rev. William H. Gould officiated at the afternoon ceremony. The attractive bride was given in marriage by her uncle, Emerson M. Arends of Campbell.

For her wedding day Gretchen wore a white satin gown with lace overlays. Her shoulder length veil was held in place with a crown of leaves trimmed with seed pearls. She carried a white Bible marked with white carnations, a gift of her grandmother, Mrs. James B. Arends Sr. She also carried a lace handkerchief that her mother had carried as a bride.

The bride's twin sister, Evelyn Marie Arends, served as Maid of Honor. She was attired in a waltz length gown of pink and carried a bouquet of pink and white carnations.

Lynn Murray of Campbell served as best man and Dwight Deem, also of Campbell, was the usher.

A reception for the newlyweds was held at the Cambrian Drive home of the Emerson Arends. Hosts for the occasion were the bride's aunts and uncles, including the Rudy Goldens of Campbell and Mrs. Joyce Huff of Santa Clara. A three-tiered wedding cake was cut by the couple. Miss Judy Jordan, the bride's cousin from New Paris, Ohio, was in charge of the guest book. Other out-of-state guests included the bride's maternal grandmother, Mrs. Carl Roop of Cincinatti, Ohio, and Mr. and Mrs. William Eske of Cave Creek, Arizona, grandparents of the groom.

The young couple honeymooned in Yosemite and are now in Phoenix, Arizona, where they are making their home.

The bride is the daughter of the late Mr. and Mrs. James B. Arends, formerly of Campbell, and granddaughter of Mr. and Mrs. James B. Arends Sr. of San Jose.

She is a graduate of Campbell High School. The bride groom is the son of Mr. and Mrs. Sam O'Brien of 180 Coventry Drive. He attended Campbell High School and graduated from Phoenix High School in Arizona. He is the grandson of Mrs. Marie O'Brien of San Jose.

Dr. Leslie Newman to speak at Cambrian Church

The Rev. Dr. Leslie A. Newman, prominent British Methodist minister of Brighton, England, will preach at an interdenominational public preaching service Monday evening, July 27, 7:30 p.m., at the Cambrian Park Methodist Church. The church is at 1919 Gunston Way.

He will speak on the topic, "What Is God Doing Today?".

The Rev. Newman is noted for his writing and broadcasting in England. In his pastorates at New-castle-on-Tyne and also in Brighton he has organized clinics where spiritual counseling, psychiatric treatment, legal advice, and marriage guidance are available. Experts in other fields also cooperate with the Methodist Minister in the work of the church.

He is coming to this area under the sponsorship of the San Jose District of the Methodist Church, with the Santa Clara County Council of Churches and San Jose Ministerial Associations cooperating.

Grange enjoys musical and pot-luck picnic

A musical program was enjoyed by members of Orchard City Grange at their recent meeting. Mrs. David Rutherford was chairman and presented little Sherrie Richardson in three piano selections. Dr. William Kim entertained with three classical solos. Refreshments were served following the meeting.

Al McCoy, chairman of the Orchard City Grange Fair Booth named his committee. They included Messers and Mesdames Guy Proctor, Mervyn Keesling, Lawrence Hendrixs, and Dick Morrill. Members having fruit or vegetables to enter in the Fair Booth are asked to contact a member of the committee.

The organization enjoyed a picnic at Billy Jone's Railroad in Los Gatos on Sunday, July 19. Children were invited and games were enjoyed.

Orchard City Grange Breakfast will be held Sunday, July 26, from 9 a.m. to 2 p.m. and is open to the public.

MR. AND MRS. DAVID MICHAEL DRUCKHAMMER

Garden reception follows Miller-Druckhammer nuptials

Mr. and Mrs. David Michael Druckhammer, who were married in the First Methodist Church of Los Gatos, are now making their home in Campbell. The bride is the former Miss Dianne Joyce Miller, daughter of Mrs. Robert L. Miller and the late Robert L. Miller of 1167 Shady Dale Ave., Campbell.

The young couple exchanged vows at a lovely afternoon double ring ceremony. Dr. Robert N. Boswell officiated. The blonde bride wore the traditional wedding gown with a fitted bodice and scoop neckline. The sheer organza and Chantilly lace gown featured a chapel train. A crown of lace and seed pearls secured a bouffant veil of imported silk illusion. She carried a cascade bouquet of orchids, stephanotis and American Beauty Roses accented with hand made lace hearts.

Miss Ann Druckhammer, sister of the bridegroom, was the maid of honor. Mrs. Harold Dow served as matron of honor and the bridesmaids were Mrs. Robert D. Bergthold, cousin of the bride, and Miss Kimberly Del Tour. All of the bridal attendants were attired in white chiffon over taffeta with crushed satin cumberbunds. Their horsehair picture hats were trimmed with American beauty satin.

The flower girl was little Lisa Fischer and Bret Fischer served as the ring bearer. A.A. Druckhammer of Houston, Texas, father of the groom, stood with his son as the best man.

Immediately following the ceremony, a reception was held in the garden of the Miller family home. The garden was beautifully decorated with festoons of white tissue ruching draped in the branches of the trees. These were caught by clusters of white bells tied with large satin bows of American Beauty red.

The magnificent four tiered wedding cake formed the centerpiece for the refreshment table where the punch was served. A buffet-luncheon was served in an adjoining screened-in garden area.

The bride is a graduate of Del Mar High School and is presently employed by U.S. Products in San Jose. The bridegroom is the son of Mr. and Mrs. A.A. Druckhammer of Houston, Texas. Following his graduation from Lamar High School in Houston he served in the U.S. Coast Guard. The newlyweds are now at home in Campbell.

NEW BOARD MEMBER--Moreland School District Board of Trustees are shown here with newly appointed member, Richard H. Penrose (right). Other board members pictured are Fred C. Noe, Jr., (left) Eugene J. Riordan and Mrs. Doris von Herrmann. Board President Robert W. Brydon was absent due to illness.

Richard Penrose takes seat on Moreland Board

At a special meeting held recently the Moreland School District Board of Trustees appointed Richard H. Penrose to complete the unexpired term of Fred M. Peterson, whose resignation from the board became effective June 31, 1964.

Richard H. Penrose is an attorney with the law firm of Miroyan, Moore, Penrose and Krickeberg. He has been a resident of Santa Clara County since 1951 when he entered San Jose State College. He graduated from San Jose State College in 1954 when he entered the United States Air Force which he served for four and one half years. Penrose completed his tour of duty with the Air Force and entered the law school at the University of Santa Clara from which he graduated. Penrose has been a resident of the school district since 1959 residing in the city of Campbell.

In acting on the motion to appoint Mr. Penrose to the board Mrs. Doris von Herrmann said "We are extremely grateful to the large number of people who applied for this position. The selection was extremely difficult because of the high qualifications of the people who applied. In interviewing each candidate for board membership your board was able to get acquainted with fine people and community leaders most of whom we had not known previously. The board interview was the first chance that any of us had had the opportunity to meet with Penrose and he was selected solely on the basis of his qualifications to serve the youngsters of the Moreland School District."

TOOLS STOLEN

Nowadays cleanliness costs you less because your PG&E rates have gone down
Nearly everything has gone up in price these days . . . except your PG&E rates. They have gone down lately. As a matter of fact, the typical PG&E household customer pays less today than 30 years ago for the same amount of gas and electricity. But count the things around your home that gas and electricity are doing for you and your family today. You are using 3 times as much as families did 30 years ago. So naturally, though the unit price is lower, your bill is bigger. Any way you look at it, you live better for less because PG&E service is a bigger bargain than ever.

City gets $40,000

Campbell's final allocation from the state in motor vehicle license fee revenue for the six-month period ending May 31 came to $40,489.31. The total apportioned for the city was $115,086.31 with $74,597 having been advanced to the city in April.

The apportionment is based on population and because of Campbell's new census of 21,600, the total apportionment for the city will be substantially increased. In fact, because the census was just taken prior to May, Campbell even benefitted in the first half of the year by an extra $3,450 because of the hike in population.

It is anticipated that the new census will bring in about $40,000 more annually to the city's coffers.

Travel club plans meeting

Plans were being drafted yesterday for a special summer meeting of the Norsemen Travel Club of the Santa Clara Valley of interest to travelers planning to attend the Olympic Games in Tokyo in October and those planning trips to the Orient. The meeting is scheduled for Friday, August 7.

The speaker will be Dr. Arthur Burton, world traveler and lecturer, who has just returned from the Orient. New travel films, just released, will also be shown.

The meeting will be held at 8:15 p.m. at the First National Bank, 308 N. Santa Cruz Ave., Los Gatos. The meeting will be open to the public.

Those wishing further information may call DR 9-2540.

SHAKESPEARE FESTIVAL

An opening night Patrons Banquet is being planned to launch the second annual Summer Shakespeare Festival at the Universite of Santa Clara, July 23-August 16.

Three hundred festival patrons are expected to attend the 6:30 p.m. champagne dinner in Benson Memorial Center. Following the semi-formal affair, the guests will attend the closed performance of "MacBeth" for patrons only.

Kirkorian tops June building

Commercial building permits for Ira Kirkorian, at 1700 W.Campbell Ave. totalling $535,000, provided more than 75% of the total building permits for the City of Campbell for June.

W. L. (Bud) Morser, of the city's building department, reported that June permits came to $711,424, a decrease of $98,096 from the same month last year. In June, 1963, the total was $809,520.

The building report for June showed also that no permits for single-family dwellings were taken out but that S. Mattingly, 210 Adler Ave. received permits for two 4-plexes (each for $41,000) and Briggs and Bell, 560 and 576 Millich Drive, had permits for two duplexes (each for $23,410).

Alterations, repairs and additions provided for the bulk of the other permits. There was one permit for a swimming pool (Ronald Bruntz, 1305 W. Campbell $2,940) and four signs. Among the alterations were two permits for Breuners totaling, $6000.

Tanner Construction at 60 W. Latimer took out permits for carports totaling $5,390. Thomas Becker, 1251 Mc Bain, received a permit for an addition for $6,000 and Raymond Buckalew, 1078 Alamrida, received one for $11,000 to repair damage done by a recent fire.

Hospital names Kirk to staff

Robert K. Kirk, former U.S. Army Medical service corps first lieutenant, this week assumed the position of administrative assistant at The Good Samaritan Hospital of Santa Clara Valley, which opens next year between Campbell and Los Gatos.

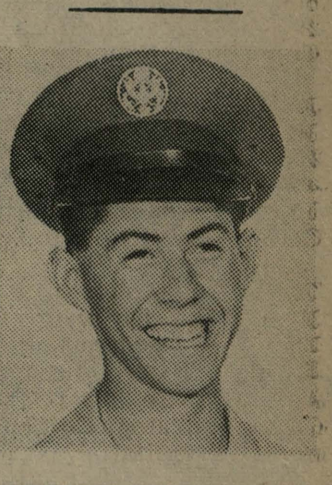
Kirk, who went into the Army after receiving his B.S. degree in zoology from Washington State University in Pullman, was in the service from 1958 until 1960. Upon returning to civilian life, he went into hospital administration training. He attended the University of California School of Public Health, receiving his M. P.H. in 1963.

He comes to Good Samaritan from Sequoia Hospital in Redwood City, where he just completed his administrative residency.

Verdun Romer on active duty

Army Reserve Major Verdun P. Romer, principal of Blackford High School, participated in two weeks annual active duty training recently at the Oakland Army Terminal. Major Romer attended as a student at the Army Reserve Command and General Staff College course at the Oakland United States Army School, Oakland.

This is the same instruction given in residence at the Army's Command and General Staff College at Fort Leavenworth, Kan. A 1936 graduate of University High School, Oakland, he received his B.A. degree from the University of California, Berkeley. He and his wife, Enola, live at 18800 Kosich Dr., Saratoga.



COMPLETES FIRST PHASE--Airman Vincent Ortiz, son of Mr. and Mrs. Henry Serrano, of 1035 W. Bismarck Drive, Campbell, has completed the first phase of his Air Force basic military training at Lackland AFB, Tex.

He has been assigned to do the Air Training Command School at Chanute AFB, Ill. He is a 1963 graduate of Campbell High.

ORDINANCE NO. 461

BEING AN ORDINANCE REPEALING SECTIONS 9329 THROUGH 9330 OF CHAPTER 3, ARTICLE IX OF THE CAMPBELL MUNICIPAL CODE AND ADOPTING NEW SECTIONS 9329 THROUGH 9329.5 OF SAID CHAPTER, ARTICLE AND CODE, SETTING UP PROCEDURE FOR GRANTING VARIANCES.

The City Council of City of Campbell does ordain as follows:

SECTION ONE: That the present sections 9329 through 9330 of Chapter 3, Article IX of the Campbell Municipal Code be and the same are hereby repealed in their entirety.

SECTION TWO: That the following sections be adopted and made a part of Chapter 3, Article IX of the Campbell Municipal Code:

SECTION 9329. Authority of Commission to Grant Variances.

Where practical difficulties, unnecessary hardships and results inconsistent with the general purposes of this ordinance may result from the strict application of certain provisions thereof, variance may be granted as provided in this section. This section may not be applied to allow a use that is not in conformity with the uses specified by this ordinance for the district in which the land is located.

SECTION 9329.1 Application.

The owner or his agent may make application for a variance which shall be made on a form prescribed by the Planning Commission and shall be accompanied by the following:

(a) Filing fee of twenty-five ($25.00) dollars, no part of which is returnable.

(b) A map of eighteen (18) inches by twenty-four (24) inches at suitable scale showing the property in question and all properties within a radius of two hundred (200) feet.

(c) Legal description of property affected.

(d) Statement, plans and evidence showing:

1. That there are exceptional or extraordinary circumstances or conditions applying to the land, building or use referred to in the application, which circumstances or conditions do not apply generally to the land, buildings, or uses in the same district.
2. That the granting of the application is necessary for the preservation and enjoyment of substantial property rights of the petitioners.
3. The granting of a variance will not be materially detrimental to the public welfare or injurious to property and improvement in the district in which the property is located.

SECTION 9329.2. Public Hearing.

The Secretary of the Planning Commission shall examine all applications for variances in connection with Section 9329, Chapter 3, and if the same be found complete and sufficient, the Secretary shall set the time and place of public hearing by the Planning Commission.

Notice of Public Hearing shall be given by one publication at least ten (10) days prior to such hearing, in a newspaper of general circulation in the City, designated for that purpose by the City Council.

SECTION 9329.3. Action by Planning Commission.

(a) Within ninety (90) days after the filing of the application, the Planning Commission shall render its decision, and shall transmit a copy thereof to the applicant. No decision of the Commission under Section 9329 shall become effective until after an elapsed period of ten (10) days from the date of the Planning Commission action, during which time the applicant or any other person aggrieved, may appeal, therefrom, to the City Council as provided in Section 9328.4.

SECTION 9329.4. Appeals to City Council.

Appeals to the City Council shall be handled in a manner prescribed in Section 9328.4.

The City Council may designate such conditions as it deems necessary and may require guarantees and evidence that such conditions are being or will be complied with.

SECTION 9329.5. Limitation on New Applications.

In case an application is denied by the Planning Commission or on appeal by the City Council, unless specifically stated to be without prejudice, it shall not be eligible for resubmittal for one (1) year from date of said denial, unless, in the opinion of the Planning Commission, new evidence is submitted or conditions have changed to an extent that further consideration is warranted.

Church breaks ground for new building

The First Baptist Church of Campbell broke ground recently for its fourth and largest building at 400 Llewellyn Ave. Rev. Harry M. Liechty, Jr., officiated at the services.

More than 200 members and friends were on hand for the ground breaking ceremonies.

The new facilities will cost approximately $50,000 when completed and furnished.

The new "Youth Building" will accommodate 250 young people in educational and recreational activity and is designed to meet the needs of youngsters in four departments, Junior I (9-10 yrs.), Junior II (11-12 yrs.), Intermediate I (13-14 yrs.) and Intermediate II (15-16 yrs.) according to Educational Director Jerry Purkaple.

Also included in the immediate plans of the church is the redesigning of the older buildings. The nursery accommodations will be enlarged and modernized and the Children 4-8 will have additional facilities. Adults will be given new classrooms and the library will be enlarged.

The choir area is to be redesigned and a new baptistry is to be installed. Added parking facilities are also in the near future.

Ed Reynolds, Building Committee Chairman and LeDean Garrison, Architect of Architectural Associates and Paul Johnston, the builder, are expecting completion of the new building in early September.

GROUND BREAKING —Rev. Harry M. Leichty Jr., (left) pastor of the First Baptist Church of Campbell, looks on as Jerry Purkaple, Music and Education Director, breaks ground for construction of the church's fourth and largest building.

CONSTRUCTION STARTS--More than 200 members and friends were on hand recently as the First Baptist Church of Campbell broke ground for its newest facility, the new "Youth Building" which will accommodate 250 young people in educational and recreational activities. OUR TOWN

By Grace Hebard

Mrs. Jackie Brink, Gal Friday at the Campbell Fire Department, is back on the job... rather reluctantly, after a wonderful vacation at Mt. Shasta where she enjoyed boating and hiking...

....

The Lowell E. Grattans became the parents of a baby girl on July 9th...

....

The Donn Dubois family of Cadillac Dr. have returned from a week's stay at Lake Tahoe...

....

Mrs. Richard MacQuiddy (Beth) of 38 Decorah Lane, Campbell, has been named "Citizen of the Year" by the San Jose Junior Woman's Club. In addition to over seven years of service with the Junior Woman's Club she has worked as a Girl Scout leader, supported the local Pacific Neighbors program, teaches Sunday School and Vacation Bible School, is on the board of directors for the San Jose Theater Guild and Brandon House Advisory Board. Her husband, Richard, is psychologist for the Campbell School District...

....

John C. Vierhus, Bascom Avenue Farmers Insurance Agent, is recuperating at his Los Gatos home from recent surgery. He is getting along fine and able to visit with friends...

....

Mr. and Mrs. Jerry Gomes, (he's the Campbell Fire Captain) are the proud parents of a baby boy...

....

Mr. and Mrs. Robert Lear celebrated their Golden Wedding Anniversary with an "open house" recently. The Lears are active in the Orchard City Grange...

....

The Chet Clevers of Kenneth Avenue are enjoying a vacation in Colorado...
